

GATHERED GEMS.

No man ever had any real trouble till he began to build a house. It is kind of interesting figuring out if a girl is as thin as she looks.

Heart Flutterings.
Undigested food and gas in the stomach, located just below the heart, presses against it and causes heart palpitation. When your heart troubles you in that way take Herbine for a few days. You will soon be all right. 50c at all drug stores.

Not nearly so many people would be bad if being good were more exciting.

If there is nothing else she do it with, a woman will speak of her wool-lined gloves as her fans.

Cured Paralysis.
W. S. Baily, P.O. True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Liniment, which cured her all right. I have also used it for old sores, trochanteritis and skin eruptions. It does the work." 25c, 50c, \$1.00. Sold by all druggists.

While a man is using his fingers to measure drinks, opportunities slip through them.

The meek may inherit the earth, but the other fellows will doubtless try to break the will.

A man's closest friends are those who are always asking favors instead of trying to grant favors.

"I was much afflicted with sciatica," writes Ed C. Nud, Iowaville, Sedgewick county, Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefitted by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c, \$1.00. Sold by all druggists.

The poor man cries, and the Lord hears him, but sometimes he has to roar powerful loud.

Coughing Spell Caused Death.
"Harry Chadwick, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive another coughing spell came on and Chadwick died from suffocation."—St. Louis Globe Democrat, Dec. 1, 1901. RECTOR OF ST. LUKE'S.

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-send remedy. Respectfully,
E. A. LAINGFIELD, M. A.,
Rector of St. Luke's Church.

The faculty of a "co-ed" school in Pennsylvania is having its hair turned gray by the acrobatic action of the gay girls. It is said that they vie with the boys in attempts to kick down the chandeliers or to leave an imprint of their Trilby on the ceilings. And this in Pennsylvania, too.

A Costly Mistake.
Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c at Lyles' Drug Store.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and a scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.
